

6th October 2022

We, Visions Video & Photography hereby confirm that we are working with

Copyright Agent A/S
Pilestræde 10.1
1112 Kbh K.
CVR: 37 59 72 87

Copyright Agent acts in collaboration with Visions Video & Photography in cases relating to copyright infringement.

Visions Video & Photography holds the largest botanical image collection and in order to continue delivering the highest quality images are therefore obliged to ensure that their images are not used incorrectly or without the commissioning of their authors.

Copyright Agent performs all communications in this regard as well as the process of pursuing and requiring lawful compensation and compensation in connection with specific copyright infringements.

On behalf of Visions Video & Photography

Debby van der Geer
Managing Director

PARTNERSHIP DECLARATION

This document confirms the partnership between the Copyright Agent UK Ltd ("CA") and Visions Photography ("the Partner"), establishing the Partner's assignment of CA to safeguard their intellectual property ("IP") rights.

The Partner has empowered CA with the authority to pursue cases of copyright infringement and take any necessary legal measures to uphold the integrity of the Partner's IP rights.

This delegation implies that the Partner cannot address specific concerns or queries regarding copyright infringement cases or CA's procedural approach. Any communication with the Partner regarding a copyright infringement case does not legally impact CA's case procedure. As a result, all such communication must be directly directed to CA.

By signing this document, the Partner grants Copyright Agent exclusive authority over the case.
